

# God of All Unity

Nathan A. Russell

John Newell

1. God of all u - ni - ty, we seek your face;  
2. God of all right - eous-ness, we long for peace;  
3. God of all gen - tle - ness, we need your grace;  
4. God of all em - pa - thy, we ask your care

we long for sol - ace and the warmth of your em - brace.  
break through op - pres - sion's chains till all have sweet re - lease.  
strength - en our pat - ience, give us faith to run the race.  
for those who are a - fraid and hear de - crees that scare.

Fear steals our joy; we feel be - reft, a - lone.  
Kin - dle in us new fire for what is just.  
Save us from pride, for you give us our worth.  
Shield with your mer - cy all thought last and least.

Make our lives an hon - est prayer, for we are your own.  
Let us speak the truth in love; teach our hearts to trust.  
May we hum - bly learn to walk light - ly on this earth.  
Bring cre - a - tion to sha - lom, crowned by your great feast.
